1. Take NICE Road from Electronic city and take ticket for Tumkur Road in the Toll Plaza.
2. Drive till the end of NICE Road and after you cross the final toll plaza, get down from NICE Road through the left ramp pointing towards Tumkur.
3. Immediately after you get down from NICE Road, enter the Tumkur Road highway through the toll booth.
4. Drive towards Tumkur for about 30 kilometers (you will cross one more toll plaza) till you see the "Tumkur 15 Km" milestone on your left.
5. After this milestone, drive for another kilometer till you see EICHER Trucks service centre and showroom on your left.
6. Immediately after the showroom, take U-turn at the median gap and drive back towards Bangalore. You will see Chikka Halli railway gate at the right side where you have taken U-turn.
7. Drive for about 200 meters till you see a narrow service road going down on your left.
8. Take the service road; it will go under the main highway. From here BIONEEDS will be another 300 meters on your left.
